Index to Volume 12 (1992)

Authors and titles

Aboriginal land rights in Australia: expectations, achievements and implications (Young), 146–61

Applied and academic geogrpahy and the remainder ofthe tewntieth century (Kenzer), 207–10

Applied geography and a place for passion (Sant), 295–8

Ariyo, J. A. and Ogbonna, D. O., The effects of land speculation on agricultural production among peasant farmers in Kachia Local Government Area of Kaduna State, Nigeria, 31–46

Baker, R., 'Gough Whitlam time': land rights in the Borroloola area of Australia's Northern Territory, 162–75

Bessant, K., *see* Everitt, J.

Calendar, 89–91, 201–3, 289–92, 383–4

Cant, G., *see* Pawson, E.

Climate, soil and crop yield relationships in Cascade County, Montana (Wilson *et al.*), 261–79

Comment, 207–10, 295–8

Cooper, A. and Murray, R., A structured method of landscape assessement and countryside management, 319–38

Crittenden, R. and Lea, D. A. M., Geographers and 'logical' development practice: the Smallholder Market Access and Food Supply Programme in Papua New Guinea, 47–64

Davis, R. J., *see* Gregory, K. J.

Dispersal, storage and transformation of metal-contaminated alluvium in the upper Vistula basin, southeast Poland (Macklin and Klimek), 7–30

Downs, P. W., *see* Gregory, K. J.

Ecological effects of afforestation: a case study of Burrator, Dartmoor (Essex and Williams), 361–79

Editorial, 5–6

Effects of conservation tillage on sheet erosion from sandy soils at two experimental sites in Zimbabwe (Vogel), 229–42

Effects of land speculation on agricultural production among peasant farmers in Kachia Local Government Area of Kaduna State, Nigeria (Ariyo and Ogbonna), 31–46

Esses, S. and Williams, A., Ecological effects of afforestation: a case study of Burrator, Dartmoor, 361–79

Everitt, J. and Bessant, K., Regional planning in rural Manitoba: a study of the 'health' of a prairie region, 65–79

Flood estimation from channel size: guidelines for using the channel-geometry method (Wharton), 339–59

Galois, R. M., *see* Usher, P. J.

Geographers and 'logical' development practice: the Smallholder Market Access and Food Supply Programme in Papua New Guinea (Crittenden and Lea), 47–64

Gerhart, K. E. S., *see* Wilson, J. P.

'Gough Whitlam time': land rights in the Borroloola area of Australia's Northern Territory (Baker), 162–75

Gregory, K. J., Davis, R. J. and Downs, P. W., Identification of river channel changes due to urbanization, 299–318

Identification of river channel changes due to urbanization (Gregory *et al.*), 299–318

Johnston, R. J., Laws, states and superstates: international law and the environment, 211–28

Kenzer, M., Applied and academic geography and the remainder of the twentieth century, 207–10

Klimek, K., *see* Macklin, M. G.

Land rights in historical and contemporary context (Pawson and Cant), 95–108

Laws, states and superstates: international law and the environment (Johnston), 211–28

Lea, D. A. M., *see* Crittenden, R.

Macklin, M. G. and Klimek, K., Dispersal, storage and transformation of metal-contaminated alluvium in the upper Vistula basin, southeast Poland, 7–30

Maori tribal rights to ownership and control: the geothermal resource in New Zealand (Tutua-Nathan), 192–8

Murray, R., *see* Cooper, A.

Nielsen, G. A., *see* Wilson, J. P.

Ogbonna, D. A., *see* Ariyo, J. A.

Pawson, E. and Cant, G., Land rights in historical and contemporary context, 95–108
Peters, E. J., Protecting the land under modern land claims agreements: the effectiveness of the environmental regime negotiated by the James Bay Cree and Northern Quebec Agreement, 133–45
Protecting the land under modern land claims agreements: the effectiveness of the environmental regime negotiated by the James Bay Cree and Northern Quebec Agreement (Peters), 133–45
Reclaiming the land: aboriginal title, treaty rights and land claims in Canada (Usher *et al.*), 109–32
